Report:

Each year Grand River Conservation Authority (GRCA) sells Membership Passes for its conservation areas in accordance with an approved fee schedule. The GRCA Membership Pass admits the vehicle and a maximum of six passengers to any GRCA Conservation Area for day use. The Membership Pass is valid for one year from the date of issue. The use of these passes provides good value for frequent conservation area users, saves staff time in dealing with vehicles entering the parks and allows access through automatic gates for year round access to some areas.

Complimentary Grand River Conservation Area Membership passes are typically issued each year to:

- Board Members of the Grand River Conservation Authority
- Board Members of the Grand River Conservation Foundation
- GRCA regular, part-time, seasonal, temporary and casual staff
- GRCA retirees
- Living members of GRCA's Honour Roll
- GRCA watershed MPs
- GRCA watershed MPPs
- Municipal Heads of Council

The complimentary Conservation Area Membership passes will be issued in January 2022. Additional passes can be issued on authorization of the Chair or Chief Administrative Officer.
