Subject: Request for Intervention in Bill 23
Date: Sunday, April 9, 2023 2:57:38 PM

Hello,

I have lived and worked in Ontario my whole life, and now reside here with my 1 year old son. I am very concerned about providing a liveable future for my young child in Ontario.

We regularly attend our local Conservation Authorities to observe all of the natural beauty surrounding and support us. I am writing you to ask you to please use every skill and contact available to you to contact and influence the Federal Government to intervene where Bill 23 threatens Ontario's wetlands. Since at risk species and fisheries fall under federal jurisdiction, please use all means possible to quickly protect wildlife and woodlots which will be destroyed under Bill 23 and its total disregard for the value of wetlands and the Greenbelt.

Thank you very much for your time and service,

Nicole Doro
