**As a concerned member of the public and regular user of Conservation Authorities, I ask you to please use your knowledge and expertise to contact and influence the Federal Government to intervene where Bill 23 threatens Ontario's wetlands. Since at risk species and fisheries fall under federal jurisdiction, please use all means possible to quickly protect wildlife and woodlots which will be destroyed under Bill 23 and its total disregard for the value of wetlands and the Greenbelt. Federal MPs need to intervene protect Ontario Wetlands and Greenbelt and stop Bill 23 for our children and future generations. Our forests, wetlands, wildlife and fish are so important, they must be protected.**
